

Digital Safety Agreement for Rainbow, Balloon, Kite and Star Room children

These are our rules for using the internet safely and responsibly at school:

- We use the internet to help us learn, and we will learn how to use the internet safely and responsibly.
- We send emails and messages that are polite.
- Approval from an adult may be needed before we email, chat to, or video-conference anyone at school.
- We never give out passwords or personal information (like our last name, address or phone number).
- We never post photographs or video clips without a teacher's permission and never include names with photographs.
- If we need help we know who and when to ask.
- If we see anything on the internet or in an email or other electronic message that makes us uncomfortable or appears unpleasant, we inform an adult.
- I accept that the school monitors my use of the internet at school and my school email account.
- If we receive a message sent by someone we do not know, we inform an adult.
- We aim to look after each other by using our safe internet in a responsible way.
- We agree not to send hurtful words, images or messages outside of school on the internet or mobile devices about anyone in our school community.
