

Charterhouse Square School

Extended Care
September 21 to August 22

This new offering is initially available to all Nursery and Reception children and their siblings followed by a gradual rollout to other year groups.

All bookings have to be made through Cognita Connect with priority given to half termly and yearly bookings.

Once your booking has been made and you have committed to either an ad-hoc session or a block of sessions we are sorry refunds are not possible should your child be unable to attend individual sessions for any reason as our staffing arrangements have to be made in advance.
